

Can you spare the cost of a cup of coffee to help support medical research?

Become a Workplace Giver and help our researchers make life-saving discoveries.

What is Workplace Giving?

Workplace Giving is a simple and meaningful way you can support our world-class researchers through regular pre-tax donations.

- 1** You nominate the amount you wish to donate each pay.
- 2** Payroll will process your donation and we'll take care of the rest.
- 3** Each year we will send you one receipt to claim your tax deduction.*
- 4** We'll keep you up to date on how your support is making a difference.

How do I join the Workplace Giving program?

It's easy. Simply email Alex at alex.smith@sa.gov.au to request a Workplace Giving form.

Reasons to become a Workplace Giver!

- ✓ With your support, our researchers will continue to make life-saving discoveries and advances in medical research.
- ✓ You can choose which research project is important to you.
- ✓ You can feel good knowing you are making a difference.

* Donations of \$2 and above are tax deductible.
